To all the members of Milton Keynes, Stony Stratford Lions Club,

I just wanted to let you know the huge difference you have made to the families in our refuge. The tablets you have given us are really helping the children with their home schooling during Covid 19. They have also helped to make the families feel less isolated.

I wanted to say the biggest thank you for your kindness and generosity.

Across the country domestic abuse is soaring as victims are trapped with abusive partners during the coronavirus lockdown. The number of domestic abuse victims killed by their partners has more than doubled during the Covid lockdown.

At this difficult time, we are so very grateful for your support.

Best wishes
